

Physics Drop-In Centre

The Drop-In Centre is a place where you may ask any question about Physics.

It is available for students who may want extra help with course material.

It is located on the "catwalk" that connects the 2nd floor of the North Wing with the Lecture Wing of McLennan. It is next door to and North of the study room MP200.

The hours for the Fall 2001 term are:

10 AM – 2 PM from Monday to Thursday

When there are mid-term tests, it will open until 5 PM.

It is open until classes end.
